

Washington Association of
Alcoholism & Addiction Programs
(AAP)

Presents

The Fifth Annual
Providers Conference

“Celebrating
Our Programs”

April 14-15, 2011
Lynnwood Convention Center
3711 196th Street Southwest
Lynnwood, Washington

Attendee Profile

This is the Fifth Annual Addiction Providers Conference in Washington State sponsored by Treatment – for Treatment!

The focus is:

- ⇒ To provide training to those who work in the addiction profession;
- ⇒ To celebrate the recovery process;
- ⇒ To recognize the certified addiction programs in our state.

This statewide conference demonstrates not only the rich diversity of the field, but also the unity that must exist to reach our goals. It offers a much needed opportunity to do cross training as well as to introduce non-members to the benefits of joining an association. This conference will display many of the reasons Washington remains one of the few states with a discrete system and a rich history of addressing addiction distinctly and effectively.

Educational Objectives

Following this conference, participants will be able to:

- ⇒ Understand the importance of the focus in Washington to treat alcohol and other drug addiction as a separate and distinct disease.
- ⇒ Identify the wealth of human and institutional resources that infuse treatment in Washington with passion and skill.
- ⇒ Acknowledge both the diversity of treatment programs and the commonality of treatment philosophy that guides those programs.

Accreditation

12 CEU's will be awarded for this conference.

For more information, please visit www.aapwa.org or contact Rylie Koenig at (425) 823-3116 or koenigr@lakesidemilam.com

The Fifth Annual Providers Conference Celebrating Our Programs

About the Sponsoring Organization

Washington Association of Alcoholism and Addiction Programs (AAP)

The Association's mission is to provide the means by which alcoholism and other drug addiction programs may enhance the effectiveness of their work; to support the ongoing development of the administration of the programs that assist the alcoholic and other drug addicted person and others affected by the illness; to effect an environment which promotes cohesiveness, openness, candidness, discretion, commitment, and trust; to effect, develop and practice a process which nurtures both personal and professional growth for alcoholism and other drug addiction program directors; and to effect an environment of communication where program directors can share mutual concerns and problems and take appropriate action when necessary.

Special thanks to Washington State Association of Independent Outpatient Providers (WSAIOP), Sundown M Ranch, Lakeside-Milam Recovery Centers and Sterling Labs for their support of this year's conference.
